Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, [REDACTED]

DATE: 4 May 1955

FROM : Chief, [REDACTED]
[REDACTED]

SUBJECT: HERLIHY, John F. - Recommendation for Promotion

1. The Subject entered on duty with the [REDACTED] on 10 December 1953, although he had been with the Agency since March 1952. After serving as a safe technician, CPC-6, he was assigned the responsibilities of a Night Security Officer on 3 October 1954. The starting grade of this position is GS-7 and because of the experience and knowledge of its duties acquired by Mr. Herlihy prior to his assignment, he was recommended for promotion to GS-7 on 4 October 1954. This recommendation was not concurred in by Personnel.

2. Over a period of some four months, efforts were made to have Personnel reconsider their action and grant an exception in this case. (See our Memo of 13 October 1954 to Chief, [REDACTED] and also Memo to the Director of Security from Assistant Director of Personnel, dated 21 October 1954.) The Chief, [REDACTED] wrote one additional justification to the Assistant Director for Personnel under date of 4 November 1954. However, Mr. Herlihy was granted a promotion to GS-6 on 16 January 1955.

3. In view of the Subject's background and experience, as outlined in memoranda referred to herein, and due to the fact that his promotion was held up for a period of some four months while this office discussed the case with the Personnel Officer, it is recommended that action be initiated to promote him to GS-7.
